

## Synopsis

Do you love animals and adventure?
Come along for a trip through some amazing animal habitats.
You might discover a new friend or two that you haven't seen at the zoo!

## About the Author

Alessandra Yap is an English teacher who loves animals, dancing, running and working on doing the splits. She studied Children's Literature at Macquarie University. Alessandra currently lives in Sydney with her husband, son and three cats. She can be contacted on Twitter @TheRealAlessandra_Y

## About the Illustrator

Anastasia Popp lives in Moscow and likes watercolours, coffee and cats. As a child she loved drawing so her parents sent her to a children's art school. Five years later she graduated and since then hasn't stopped creating!

## Amazing Animal Report

Choose one of the many amazing animals that you have seen in the story and research them so that you can fill in this animal report.
