The Inverted Banyan Tree

SEPTEMBER 2019

Author: JK Asher
232 x 150mm, 394pp, adult fiction
PB: 978-1-912678-08-2 | £8.99

JK Asher's *The Inverted Banyan Tree* is an analogy for the journey each person must make in their search for identity and truth, a quest that lies above the loyalties of religion, nationhood and bloodlines. The story takes place in two parallel periods of time, 1950's Colonial Malaya, and the 1980's Post-Independence Malaysia of the author's formative years. The disparity of these times alludes to current global trends of radicalisation, and the uncertainty of our post 9/11 world. *The Inverted Banyan Tree* will take you on an absorbing journey, evoking memories and giving the reader a delightful glimpse into another world.

Take your children's story to the next chapter with Little Steps Partnership Publishing.

Every writer knows that the story is only the beginning; that original storytelling needs time and support to thrive.

Little Steps was established in Sydney, Australia, ten years ago. In early 2020, we opened our London offices and are delighted to be working with new creative talent in the UK.

The professional team at Little Steps provides a complete and effective service for aspiring children's authors, with a proven track record of success. With your help, Little Steps can take care of the editing, proofreading, design, production, printing, marketing, public relations and distribution of your children's book. The whole process is managed by Little Steps. At the end of the publishing process, your book will have received the same amount of care and attention as a book published through a major publisher.

Have you got an idea for a children's book, but don't know what to do next?
Submit your manuscript through our website today and we could make that dream
a reality! It's time to begin your writing journey.
